

Noti.Mula

Mula is a family of classically designed furniture comprising sofas and armchairs. The look of the collection has been inspired by the design of the 1960s, characterised by soft lines, a simple and elegant form, and timeless comfort.

The choice of metal or wooden legs and a powder-coated steel skid makes the seats suitable for both public spaces and home interiors.

In 2020, another variant of the Mula armchair was launched, with a wooden rocking skid combining modern design with a new functionality.
