

# COMPLI

COMPLI

Compli is the storage furniture collection of a simple, cubic form. The collection basically consists of chests of drawers available with doors, wardrobes and shelving units. The diversity and versatility of various elements allow to arrange a variety of interiors such as living rooms, bedrooms or halls, in many ways.

The individual modules are available in the wide range of lacquer colours and wood veneers, which may rest on legs, cantilever base or the plinth.

The collection is distinguished by its functionality, system-based modularity, and timeless character.

Base

Melamine plinth board: black or ash grey,  
powder-coated leg base or powder-coated  
cantilever skid base

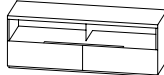

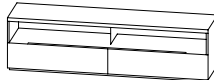

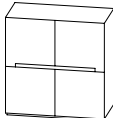

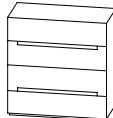

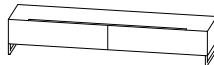

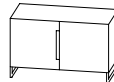

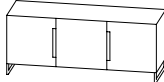

Construction

Shelves — powder coated steel;  
chests of drawers — MDF board

Board  
finishing options

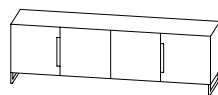

Natural veneer finish or lacquered MDF  
(matte, gloss, velvet)
