design:  
Piotr Kuchciński  
2009

This family of sofas and armchairs in a specific shape inspired by origami paper toys. The collection has special elbow rests and the backrest is in a characteristic shape trapezoid that is leaning outwards, with hard upholstered body, additionally filled in with loose soft pads.

The carpet is placed between two big sofas and creates a cosy place to rest and play. The family also includes tables with a characteristic bent tabletop rims
