

# artivum

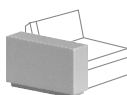

design:  
Jerzy Langier  
2005

A line of lounge suites in cubic form. The great advantage is modular arrangement which makes it possible to arrange couches in a number of ways, which can be individually adjusted to the interior needs of the user. ARTIVUM consists of elements ARTIVUM which include multiple modules width seats 60 or 80 cm wide: sofas, corner settees, armchairs with addition ottoman and pouf with optional opening chest. Elbow-rests: narrow (17 cm) or wide (26 cm). The furniture has an aluminum the veneered or varnished pedestal.
