NOTI

Rotor is a collection of three-legged bar stools with a broad range of applications. The swivel seat has a slightly concave surface and a distinctive opening to facilitate grasping and moving the stool.

Delicate steel legs are joined together by support slats at three heights to provide a comfortable foot rest. The seat is available in solid oak wooden and soft upholstered versions.

Rotor bar stools are available in a wide array of colours from Noti's chart, making it an excellent choice for a broad variety of residential and commercial interiors.
