

# NOME

## NOME

Nome is a small-sized armchair designed by Tomasz Augustyniak. It is an instant attention-grabber with its elegantly tailored form featuring gentle edges and lines.

The distinctive shape of the loose backrest cushion with a characteristic horizontal division enhances the ergonomics of the seat and the comfort of the backrest, while giving the armchair an undeniable appeal based on visual clarity.

The collection is an excellent choice both for residential areas and public buildings, especially hotels.
